Riding to inspire communities to help find a cure for Cancer!

Tour de Rocks – Charity Bike Ride Registration Instructions 9th – 11th April 2026

FUNDRAISING – Individual Description Text

I'm gearing up to make a difference by fundraising for a cause that's close to all our hearts. Raising funds for Cancer Research and Services.

By participating in the annual Tour de Rocks Charity Bike ride, around 250 kms over 3 days, we hope to make a difference. Tour de Rocks relies on the generosity of our supporters to be able to help those in need.

Funds raised are crucial in enabling Tour de Rocks to continue their work in the community. They couldn't do it without the help of dedicated fundraisers like you - every bit counts and any amount you can donate is greatly appreciated.

Tour de Rocks, through their appropriation committee, allocated funds to many research projects, community programmes and services. You can see where the funds have been allocated by clicking here:- <https://www.tourderocks.com.au/appropriations>

Donations made through this platform are secure and will be remitted directly through to the Tour de Rocks.

All donations over \$2 are Tax Deductible and receipts will be issued directly to you.

Thanks so much for your support!
